

sologroove monothematical mix 01
mixed by dj twist
released:30.10.2008
length:61:47

smm_01 is a studio dj mix where appears tracks released at the slovak netlabel sologroove only.mixtape ranges from minimal,to deephouse,through colourful dubby melodies. first monotematical sologroove mixtape is technically nice mixed with many harmonical moments.tomas chorvat aka **djtwist** is a young slovak talented dj coming from trencianska tura.he started to listen electronic music in the same time like his older brother.his dreams came true in summer 2007, when he has bought his pair of technics and started to play all kind of minimal tracks. he is a member of the tnt booking crew and already have played in slovak clubs like krankenhaus or subclub.
